ASSORTMENT OVERVIEW 2026

A beautiful day begins in a beautiful bath.

diaqua®

SHOWER CURTAINS

Shower curtains from diaqua® are available in two different material versions. In addition to the regular water-repellent textile shower curtains made of polyester fabric, we also offer plastic shower curtains made of waterproof film, polyethylene vinyl acetate (PEVA for short).

Textile shower curtains

- Made from high-quality and water-repellent polyester fabric (100%)
- With sewn side seams
- Weighting tape made of polypropylene (lead-free)
- Sturdy eyelets, suitable for all curtain poles and rails
- Available in four different sizes 180 × 180 cm / Swiss size, 120 × 200 cm, 180 × 200 cm, 240 × 180 cm - suitable for standard installation situations

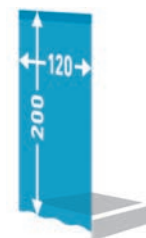

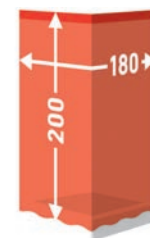

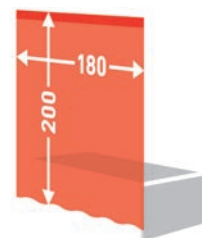

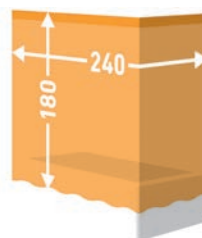

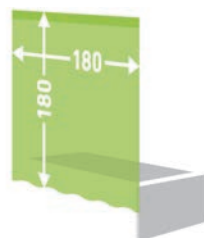

Shower curtains made of PEVA

- Made from high-quality PEVA material (100% PEVA, PVC-free)
- Available in the size 180 × 200 cm
- Can be easily cut to size

BATHROOM RUGS AND MATS

diaqua® offers an exclusive selection of fashionable and trendy bathroom rugs. These are made from high-quality fibres and some are tested in accordance with the well-known OEKO-TEX® Standard 100.

Bathroom rugs made from cotton

- Made from high-quality natural cotton fibre
- Skin-friendly and supple, optionally the better material for allergy sufferers
- Anti-slip latex coating on the underside makes the rugs slip-resistant
- Available in two different sizes 55x65 cm and 60x90cm

Bathroom rugs made from polyacrylic or polyester

- Made from high-quality polyacrylic or polyester fibre
- Comfortable to walk on and sound-absorbing thanks to fluffy pile height of 20 - 25 mm
- Anti-slip latex coating on the underside makes the rugs slip-resistant
- Available in two different sizes 55x65 cm and 60x90 cm
- Partially certified according to OEKO-TEX® Standard 100

Bathroom mats

- Fine terry loop surface makes the material voluminous and increases the absorbency
- Made from skin-friendly cotton
- Available in the size 50 x 70 cm
- Certified according to OEKO-TEX® Standard 100

Made in Europe

Made in Europe

Polypropylene

Particularly elastic material, making it very resilient and breakresistant. Transfers body heat quickly.

Duroplast

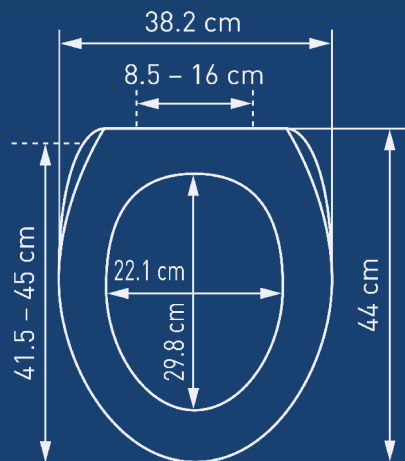

Toilet seats made of extremely hard and robust material that is resistant to scratches and UV rays. Loses none of its lustre even after years of use.

Wood

The seats made of wood fibreboard (MDF) offer a comfortable and warm seating surface. Most wooden toilet seats are FSC®-certified.

Seat for Moderna ceramic from LAUFEN

The image features a dark blue square logo with the word "diaqua" in white lowercase letters and a registered trademark symbol. Below the logo, there are three blue plastic components: a circular drain cover with a central metal grate, a cylindrical container with a flat metal lid, and a long, curved blue pipe. A semi-transparent white circle on the right side of the image contains contact information. The background is a solid blue color.
